Your Duty of Disclosure

Before You enter into an insurance contract, You have a duty under the Insurance Contracts Act 1984 and the Marine Insurance Act 1909 (if applicable) to tell Us anything that You know, or could reasonably be expected to know, may affect Our decision to insure You and on what terms.

You have this duty until We agree to insure You.

You have the same duty before You renew, extend, vary or reinstate an insurance contract.

You do not need to tell Us anything that:

- * reduces the risk We insure You for; or
- * is common knowledge; or
- * We know or should know as an insurer; or
- * We waive Your duty to tell Us about.

If You do not tell Us something

Where the Insurance Contracts Act applies: if You do not tell Us anything You are required to, We may cancel Your contract or reduce the amount We will pay You if You make a claim, or both. If Your failure to tell Us is fraudulent, We may refuse to pay a claim and treat the contract as if it never existed. Our liability will be reduced by an amount that fairly represents the extent to which Our interests have been prejudiced as a result of Your failure to notify Us.

Where the Marine Insurance Act 1909 applies: if You fail to comply with Your duty of disclosure, We may avoid the contract from its beginning.

Who must tell Us?

Everyone who is insured under the Policy is required to comply with the duty of disclosure, including Your broker or Your agent.

GOODS AND SERVICES TAX

As part of the premium, We will charge You an amount of GST. You may be entitled to an Input Tax Credit.

You must inform Us of the extent to which You are entitled to an input tax credit for that GST amount each time that You make a claim under this policy.

No payment will be made to You for any GST liability that You may acquire on the settlement of a claim if You do not inform Us of Your entitlement or correct entitlement to an input tax credit.

Despite the other provisions of this insurance (including provisions in the wordings, any schedules and any endorsements), Our liability to You will be calculated taking into account:

- * any input tax credit to which You are entitled for any acquisition which is relevant to Your claim, or
- * also for claims for Downtime only the GST exclusive amount of any supply made by Your business which is relevant to Your claim.

HWA Insurance Brokers

A.F.S.L. 243534
A.B.N. 15 098 158 975

If Your sum insured or policy limits is not sufficient to cover Your loss, We will only pay any GST (less any relevant input tax credit) that relates to Our proportion of Your loss. We will pay that GST amount in addition to Your sum insured or policy limit. 'GST', 'input tax credit', 'acquisition' and 'supply' have the meaning given in the A New Tax System (Goods and Services Tax) Act 1999.

Important Notices

NOTICE TO THE INTENDING INSURED

YOUR DUTY OF DISCLOSURE

Before you enter into a contract of general insurance and up until the commencement of the insurance, you have a duty, under the Insurance Contracts Act 1984 to either provide answers to questions or disclose specific information to the underwriter. You have the same duty before you renew, extend, vary or reinstate an insurance contract. For Consumer Insurance Contracts, (Consumer Insurance Contracts are defined as insurance that is obtained wholly or predominantly for the personal, domestic or household purposes of the insured) your only duty is to take reasonable care not to make a misrepresentation when answering questions asked of you by the underwriter.

In all other situations you must tell the underwriter about anything that you know or could be reasonably expected to know taking into account the nature and extent of the insurance cover to be provided and the class of persons who would ordinarily be expected to apply for such insurance cover. You do not need to tell the underwriter anything that reduces the risk of the underwriter, that is of common knowledge; that the underwriter knows or, in the ordinary course of business, ought to know or that the underwriter has waived your duty to tell them about.

GENERAL ADVICE WARNING

Important Notice – What Sort of Advice is Being Provided

Where a statement of Advice has not been provided to you with this invoice then the advice that we are giving you related to this transaction is General Advice. General Advice is advice that has prepared without considering your current objectives, financial situation and needs. Therefore, before acting on this advice, you should consider the appropriateness of the advice having regard to your current objectives, financial situation or needs. If the advice provided relates to the acquisition or possible acquisition of a new insurance policy and the Insurer has prepared a Product Disclosure Statement (PDS) we will have attached the PDS for your review. You should consider the PDS prior to making the decision to purchase this product. Information on Commissions on Policies is available on request.

OUR PRIVACY PROMISE

We are committed to protecting your privacy and confidentiality in accordance with the Privacy Act 1988 (Cth) including the Privacy Amendment (Enhancing privacy Protection) Act 2012 and it is one of our prime concerns that any personal or sensitive information you provide to us is not used for any other purpose than that intended and expected by you. This Privacy Policy describes our current policies and practices in relation to the handling and use of personal information.

Please contact us to obtain a copy of the HWA Insurance Brokers "Our Privacy Information Brochure" or visit www.hwainsurance.com.au/privacy-policy-and-disclaimer/

COMPLAINTS

Clients not satisfied with our services should contact our Complaints Officer. We are members of the Australian Financial Complaints Authority (AFCA), a free consumer service. Further information is available from our office, or contact AFCA directly on **1800 931 678**, email: info@afca.org.au or visit www.afca.org.au. We also follow The Insurance Brokers Code of Practice.

PREMIUM FUNDING WARNING

Premium funding allows you to spread out the cash flow associated with paying your insurance premiums over the next twelve months. We receive a commission from the funder for arranging the funding contract, full details are available on request.

Please note that should the insurance policy be cancelled before the expiry date for whatever reason, the Premium Funder will charge you the full interest applicable to the contract, as detailed in the Loan Application Form. Typically there will be no refund of our commission on the refund premium and no refund of any fee we may have charged you for arranging the cover. We also reserve the right to charge you a policy cancellation handling fee. In some cases underwriters also apply minimum premiums to policies, which may further reduce the refund that you might otherwise receive.

The impact of the above on you is that any refund you receive for the mid term cancellation of your policy will usually be significantly less than a pro rata calculation would produce and in extreme cases may involve you having to make an additional final payment even though the policy has been cancelled. Therefore prior to cancelling a policy and replacing it with another cover we strongly recommend that you discuss your situation with us so that we can advise the exact extent and impact of the early cancellation provisions mentioned above.

COOLING OFF

All Retail Products are subject to a 14-day "cooling off period". This means that if you are not happy with a Retail Product, you have 14 days to withdraw from the new contract at no cost to you other than our broker's fee, which is not refundable.

Please note that most Marine Insurance policies don't offer a "cooling off period".

RETAIL CLIENTS

Under the Corporations Act 2001 and associated Regulations Retail Clients are provided with additional levels of protection from other insurance purchasers. The Act defines Retail Clients as: Individuals or a small manufacturing business employing less than 100 people or any other business employing less than 20 people.

And that are being provided a financial service or product that relates to the following insurance covers: Motor Vehicle (under 2 tonne), Home building, contents, personal and domestic, Sickness and Accident or Travel, Consumer Credit and other classes as prescribed by regulations.

WHAT ADVICE IS BEING PROVIDED (RETAIL CLIENTS ONLY)

If you are a RETAIL CLIENT (refer above) and a Statement of Advice has not been provided to you with this invoice then the advice that we are giving you related to this transaction is General Advice.

General Advice is advice that has been prepared without considering your current objective's, financial situation or needs. Therefore, before acting on this advice, you should consider the appropriateness of the advice having regard to your current objective's, financial situation or needs.

If the advice provided relates to the acquisition or possible acquisition of a new insurance policy and the underwriter has prepared a Product Disclosure Statement (PDS) we will have attached the PDS for your review. You should consider the PDS prior to making the decision to purchase this product. Further information regarding the income we have been paid by the underwriter for this transaction is available upon request

AVERAGE OR CO-INSURANCE

Some policies contain an Average/Co-Insurance clause which means that you must insure for the full insurable value of the property insured.

If you under-insure, your claim may be reduced in proportion to the amount of the under-insurance.

A simple example, illustrating the basic principle, application and effect of the Average/ Co-Insurance clause is as follows:

Full (Replacement Value)	\$1,000,000
Sum Insured	\$ 500,000
Therefore, you would be self-Insured for 50% of the Full Value	
Amount of Claim	\$100,000
Amount Payable by Insurers as a result of	\$ 50,000
The Application of Average/Co-Insurance	(Being 50% of the \$100,000)

It is essential that sums insured reflect current rebuilding and replacement costs to avoid PENALTY CLAUSES in the event of loss (Co - Insurance Clause). Adequate provision should be made for additional costs such as extra costs of reinstatement to comply with current building regulations, GST, Architects fees, Removal of debris etc.

We also recommend periodical valuations by recognised quantity and building surveyors. Changes to the Building code and Town planning requirements need to be considered as part of your review of rebuilding costs.

BUSINESS INTERRUPTION POLICES

Some policies contain an Average/Co-Insurance clause which is fully set out in the "Basis of Cover" or "Policy Specification" of the policy.

HWA Insurance Brokers

A.F.S.L. 243534
A.B.N. 15 098 158 975

For the types of cover most usually provided, the Average/Co-Insurance calculation is arrived at by applying the Rate of Gross Profit, Revenue or Rentals (as applicable) to the Annual Turnover, Revenue or Rentals (as applicable); these factors first being appropriately adjusted as provided for in the "Trend of Business" or "Other Circumstances" clauses.

UNDERWRITING AGENTS, WHOLESALE BROKERS AND BINDER AGREEMENTS INFORMATION

In some cases, we access insurance products via Underwriting Agents and Wholesale Brokers rather than directly with the insurer. In such cases should you wish to access the Financial Services Guide of the Underwriting Agent or the Wholesale Broker please contact us and we will arrange a copy for you. We may also act under binder agreements with Insurers in which case this will be detailed on our invoice.

FLOOD – COMMERCIAL POLICY EXCLUSION

This policy does not provide cover for flood damage unless otherwise shown on your policy or policy schedule. If flood cover is required, please contact us.

CANCELLATION

Where a policy is cancelled or amended before the period of insurance has ended, or expiry of the policy, we will retain the commission of any return premium involved. We will also charge an administration fee for the handling of the cancellation/amendment process.

CONTRACTUAL LIABILITY

The policy does NOT cover any claims arising from a contract or agreement that you have entered into unless the contract or agreement has been approved by the insurer. If you require such cover, please contact our office and provide a copy of the contract or agreement.

UN-NAMED INSURED'S & UN-NAMED PARTIES

Un-Named Insured's: The policy covers the persons, businesses, companies, etc, named in the policy schedule. Any other persons, businesses, companies, etc, not named are NOT covered. Please advise us if you require cover for any person, business, company, etc, not named.

Un-Named Parties: If you require the interest of a party other than the Named Insured to be covered, you MUST request this. Most policy conditions will exclude indemnity to other parties (e.g., mortgagees, lessors, principals etc) unless their interest is properly noted on the policy.

THIRD PARTY INTERESTS

Some insurance policies may only provide cover for your interest in the property insured and may not cover the interest of any third parties unless you have informed the insurer of them, they are noted on the policy. For example, if property is jointly owned, or subject to finance, the interest of the joint owner or financier may be excluded, if it is not specifically noted on the policy.

TERMS OF TRADE

Payment of this account constitutes your acknowledgement and acceptance of these conditions and authorises us to act as your insurance brokers for the risks outlined on the face hereof and no others unless specifically agreed by us in writing.

SUBROGATION / RIGHTS OF RECOVERY AGAINST OTHERS

You are warned that should you become a party to any agreement that has the effect of excluding or limiting your underwriter's ability to recover from a third party, your underwriters may have the right to refuse to indemnify you for such loss where it is shown that your underwriter's rights of recovery have been prejudiced by your action.

CLAIMS MADE POLICY

Where indicated on the invoice this policy provides cover on a "claims made" basis which means that claims first advised to you (or made against you) during the period of insurance are covered irrespective of when the incident causing the claim occurred. To protect your entitlement to indemnity under this policy you must report to underwriters without delay and prior to expiry of the policy period all incidents that may give rise to a claim against you.

CLAIMS OCCURRING PRIOR TO COMMENCEMENT

Your attention is drawn to the fact that your policies do not provide indemnity in respect of events that occurred PRIOR to commencement of the contract.

MAJOR UNINSURED RISKS

Risk retention may occur in many ways, for example:

- By under-insurance (e.g., if your sums insured or declared insurable values are inadequate, and Co-Insurance/Average provisions are applied to losses, you are treated as part-Insurer for all such losses).
- By inadequate loss limits (e.g., if your Public Liability limit is insufficient, you are your own Insurer for the excess, plus a proportionate share of any legal fees).
- By non-insurance (e.g., if you elect not to insure a risk like "Motor Vehicle - Own Damage" you must stand all such losses yourselves).
- A self-assumed irremovable Deductible or Excess under a policy.

Our concern lies not so much in the fact that you may retain certain insurable risks, but that you may do so without fully recognising the fact, and without making a conscious decision to do so. Such conscious decisions should be reviewed from time to time in the light of changing circumstances. A potential problem area could arise from a series of losses, each subject to a heavy deductible.

A further concern is the possibility of the aggregation of self-insured risks, which in the event of one incident giving rise to a variety of losses, could lead to a combined loss figure well above the acceptable level of retention (e.g., a fire or explosion at a major location could involve building, plant and stock damage, business interruption, parked trucks and their loads, not to mention legal liability for injured workers and third parties' property or injury).

The following types of insurance are available (and include those which you may have already purchased), however as your activities could change these risks should be reviewed regularly to ensure that you have sufficient cover.

This list is not exhaustive, so if you are aware of any risks, which are uninsured, or you would like a broader definition, please contact your Client Service Consultant / Account Manager.

If you are a new Retail Client purchasing Personal Accident or Sickness insurance and obtain Personal Advice, that is, advice that takes into account your particular circumstances, we will give you a **Statement of Advice (SOA)**, that sets out the advice provided and the basis on which the advice is made and our remuneration should you purchase the product.

For existing Retail Clients we may not provide an SOA but rather provide the advice to you orally. In such cases you may request us to provide you with a Record of Advice (via phone or in writing) which we will provide to you within 28 days of such request.

When you ask us to recommend an insurance policy for you, we will usually only consider the policies offered by the insurance providers that we deal with regularly. In giving you advice about the costs and terms of recommended policies we have not compared those policies to other policies available, other than from those insurance providers we deal with regularly.

If we recommend the purchase of a particular financial product, we will also give you a **Product Disclosure Statement** at that time, which sets out details specific to that product and the key benefits and risks in purchasing the product.

COMPENSATION

We hold a Professional Indemnity Policy. This policy is designed to pay claims by Third Parties (including our clients) arising out of our Professional Negligence. The policy extends to covers us for work done for us by representatives/employees after they cease to work for us and satisfies the requirements for compensation arrangements under Section 912B of The Act.

ELECTRONIC DELIVERY OF DISCLOSURE NOTICES

Please note that where possible we prefer to provide all correspondence and disclosure notices (including Financial Services Guides and Product Disclosure Statements) to you electronically, via email attachments or email links to documents/websites etc. If you have provided your email address to us we will typically use that email address for all correspondence and disclosure notices. Should you not wish to be sent disclosure documents electronically please advise us and we will update our records accordingly.

OUR SOURCES OF INCOME

When placing your insurance we usually receive a commission from the insurer. The amount varies between 0% and 30% of the base premium you pay. Where a policy is cancelled before the period of insurance has ended we will usually retain the commission on any return premium involved.

If you are a Retail Client and we give you Personal Advice, commission amounts will be provided in any SOA or on any relevant invoices where an SOA is not provided. When we give you General Advice, full commission information (including dollar amounts) will be provided on request.

We have a set of standard non refundable Broker Fees that we charge you for services such as:

- Market research on products available.
- Assessing the claims service of insurers.
- Sourcing alternative quotations and coverage.
- Risk analysis and portfolio co-ordination.

All fees payable for our services will be advised to you at the time of providing the advice or service.

We may receive additional remuneration from insurers with whom we have profit share or volume bonus arrangements. This remuneration is payable if we meet certain agreed sales and/or profitability targets set by the insurer. If we have profit share arrangements with an insurer that apply to a product we recommend to you, we will advise you of this at the time of making any such recommendation if the amount involved is material.

We retain the interest on premiums paid by you that are held in our trust account before paying the insurer.

If you pay by credit card we may charge a credit card fee, which is shown separately on our invoices and is non refundable. This fee covers the cost of bank charges etc. associated with such facilities.

Premium funding products enable you to pay your Invoice by installments. Premium funders do charge interest. We can arrange premium funding if you require it. We will normally receive a commission of between 0% and 4% of the amount funded from the Premium Funder for arranging the funding. We will tell you the basis and amount of any such payment if you ask us.
